

# MATT'S PLACE UNVEILS 'VINE & DINE': A SOPHISTICATED FUSION TAPAS & WINE DESTINATION IN HUA HIN

**New Premium Eatery Near Hilton Hua Hin Redefines Coastal Dining with Innovative 'Global Bites' and an Expertly Curated Beverage Program.**

**HUA HIN, THAILAND – [Date of Release]** – Matt's Place, Hua Hin's highly anticipated borderless dining concept, is officially opening its doors, promising to elevate the city's culinary landscape. Located moments from the prestigious Hilton Hua Hin Resort & Spa, Matt's Place introduces **"Vine & Dine,"** a sophisticated experience built around creative global fusion tapas—referred to as **\*\*\*"Global Bites"\*\*\***—expertly paired with an extensive wine and artisanal cocktail selection.

The concept moves beyond the traditional restaurant model, focusing on communal, high-quality sharing plates that blend the vibrant flavors of Thai coastal cuisine with international culinary techniques.

"Matt's Place is a realization of our vision for a sophisticated, yet welcoming, culinary escape," says **Owner Matthew C.** "We designed the 'Global Bites' menu to be a conversation starter, allowing guests to explore a spectrum of elevated flavors in a relaxed, elegant setting. We are not just serving food; we are curating the perfect evening—from the first taste to the final sip."

## A Menu of Culinary Alchemy

The kitchen at Matt's Place is a hub of cross-cultural innovation. Signature dishes highlight this creative fusion:

- **Croquetas Gai Massaman:** A surprising synthesis where creamy potato-celeriac croquettes are filled with a rich, aromatic Thai Massaman chicken curry.
- **Gambas Al Ajillo "Tom Yum":** A fiery, fragrant twist on the classic Spanish garlic shrimp, infused with the essential bright, spicy, and sour notes of Thai Tom Yum.
- **Wagyu Flank Steak:** A premium cut served with a unique, truffle-infused Thai chimichurri and a smoky tamarind-whiskey BBQ sauce, catering directly to the discerning palate of the luxury traveler.

The dessert program is particularly ambitious, featuring creations like the **'Hua Hin Pineapple Express'**—a deconstructed tropical treat using brown butter spiced rum, Tom Kha-infused coconut ice cream, and fish sauce caramel.

## The Perfect Pairing: 'Vine & Dine'

Completing the sophisticated experience is the restaurant's beverage list. The "Vine & Dine" element ensures that the intricate flavors of the tapas are matched by a thoughtfully curated wine list, focusing on boutique vineyards and premium selections, alongside handcrafted cocktails utilizing fresh, local Thai ingredients. The ambiance, supported by **live Jazz or Latin Fusion on weekends**, is tailored for the affluent resident and sophisticated tourist seeking consistent, high-end excellence.

Matt's Place is set to become the essential destination for **The Sophisticated Traveler** and **The Hua Hin Connoisseur**, delivering a stand-out dining experience that firmly positions Hua Hin as a serious gastronomic hub.
